Internship Project Title

Arizona Trauma Association internship to promote trauma systems in Arizona.

Project Description:

AzTA is looking for a team of Public Health graduate and undergraduate students to work alongside AzTA team members, including public health and trauma-care professionals, to conduct the following activities:

- Review feedback from previous educational events for trauma providers and determine needs for upcoming trauma education.
- Organize an educational event to promote trauma awareness and public safety.

- ☒ Fall Semester
- ☒ Spring Semester
- ☒ Summer Term
- ☒ I want this listing to remain active indefinitely and we will accept applications from students for any upcoming semester.
- ☐ This listing is only for a specific semester/term: _____

Where:

Organization Mailing Address: P.O. Box 33893 Phoenix Arizona 85067-3893

Address where Student will work (if different from above): *All remote work*

☒ Check here if the student may have the option to work remotely from a site not listed above for all or part of this project.

Student Characteristics:

What kind of student might be a good fit for this project? We are seeking a candidate with strong interpersonal skills, strong writing skills and effective communication. We are also seeking that the candidate is self-directed and committed.

Level of Expertise Needed: *Do you wish to request an MPH program intern or an undergraduate public health program intern?*

Undergraduate: The internship for undergraduates should provide an experience that allows students to incorporate classroom learning into public health practice.

Graduate: Applied experiences for graduate students should require application of advanced knowledge and skills to the solution of health problems and the production of at least two agency-based deliverables.

Both experiences prepare students for future employment.
