

MPH Program	Dual Degree	Graduation Term	APE Site	APE Topic
Applied Epidemiology		Fall 2023	Arizona Liver Health	Attitudes of Subjects Towards Participating in Clinical Trials
Applied Epidemiology		Fall 2023	Arizona State University	Genomic Epidemiology Investigation of SARS-CoV-2 Outbreaks
Applied Epidemiology		Fall 2023	Ascension Medical Group Seton Women's Health - Davis Lane	Creating a Clinical Pathway- Identifying pelvic inflammatory disease and treatment in Pediatric and Adolescent patients
Applied Epidemiology		Fall 2023	Banner Alzheimer's Institute	A Literature Review of Food Insecurity and Cognitive Impairment and Sequential Hypothesis and Analytical Study Design
Applied Epidemiology		Fall 2023	Banner Boswell Medical Center	Blood Culture Contamination Rates at a Mid-Sized Hospital: Why is it important to control and how can it be controlled?
Applied Epidemiology		Fall 2023	Breast for Baby	Fertility Treatments and Breastfeeding Outcomes: Matched Case-Control Study
Applied Epidemiology		Fall 2023	Pima County Health Department	Pima County Covid-19 Enhanced Variant Surveillance
Applied Epidemiology		Fall 2023	St. Joseph's hospital – Carondelet Health Network	Prevalence of Methicillin Resistant Staphylococcus aureus (MRSA) measured through Clinical Isolates Obtained at a trauma level I hospital
Applied Epidemiology		Fall 2023	The University of Arizona	Using the 5C scale to determine the association of psychological antecedents in the outcome of flu vaccination in 2020 during the COVID-19 pandemic.
Applied Epidemiology		Fall 2023	The University of Arizona	A Qualitative Analysis of Emerging Themes Around COVID-19 Vaccine Hesitancy in Pima County Adults in Fall 2020
Applied Epidemiology		Fall 2024	Center for Depression Research and Clinical Care	Patterns and correlates of suicidal risk in adolescents in psychiatric treatment: a population-based study.
Applied Epidemiology		Fall 2024	Maricopa County Department of Public Health	HOSPITALIZATIONS DUE TO HEAT ILLNESSES IN MARICOPA COUNTY, ARIZONA FROM 2017-2023: OCCUPATIONAL OR RECREATIONAL ACTIVITIES AMONG OTHER FACTORS.
Applied Epidemiology		Fall 2024	Retina Foundation of the Southwest	Prevalence of Age-related Macular Degeneration (AMD) in the United States and the effect of genetic, environmental, and behavioral risk factors on AMD progression.
Applied Epidemiology		Spring 2023	American Association of Birth Centers	Exercise and Cesarean Section, Barriers to Exercise in Pregnancy
Applied Epidemiology		Spring 2023	Arizona Alzheimer's Consortium	Association of Cognitive Function with Sleep
Applied Epidemiology		Spring 2023	Asthma and Airway Disease Research Center	Mortality and CC16 in the TESAOD cohort
Applied Epidemiology		Spring 2023	Health Promotion Science (HPS), University of Arizona	Prevalence of Undernutrition in children under five in Benin, West Africa
Applied Epidemiology		Spring 2023	Nevada Overdose Data To Action (OD2A)	Toxicology & Nevada's Overdose Surveillance System: Needs Assessment & Recommendations
Applied Epidemiology		Spring 2023	University of Arizona, College of Public Health	Association between environmental exposures and health outcomes using open data (data.gov) and GIS tools (sf and mapview packages)
Applied Epidemiology		Spring 2024	Corewell Health East (formerly Beaumont Health)	A Supplemental Qualitative Assessment: A Trend Analysis of Central Line Associated Bloodstream Infections on a Medical Oncology Unit
Applied Epidemiology		Spring 2024	Kyah Rayne Foundation	Food Allergy and Epinephrine Awareness program for national Epinephrine Course.
Applied Epidemiology		Spring 2024	Los Angeles County Dept of PH HIV care and pre-exposure prophylaxis (PrEP) among eligible HIV testing clients in Los Angeles County, California	Sociodemographic and geospatial factors associated with linkage to HIV care and pre-exposure prophylaxis (PrEP) among eligible HIV testing clients in Los Angeles County, California
Applied Epidemiology		Spring 2024	Maricopa County Department of Public Health Refugee Clinic	Time to COVID-19 Vaccination Among Incoming Refugees into Maricopa County
Applied Epidemiology		Spring 2024	mySidewalk	Using Relational Databases and Geospatial Analysis for Public Health Research
Applied Epidemiology		Spring 2024	The University of Arizona Institute on Place, Wellbeing, and Performance	Intersection between human health and the built environment.
Applied Epidemiology		Spring 2025	Kadena Air Base	Lactation Room and Sanitary Napkin Trashcan Compliance at the 18th Wing, Kadena Air Base, Okinawa, Japan

Applied Epidemiology		Spring 2025	Maricopa County Department of Public Health	Maricopa County Heat Morbidity Report 2018-2022
Applied Epidemiology		Spring 2025	MemorialCare	Evaluating and Enhancing Clinical Research Coordinator Competencies
Applied Epidemiology		Summer 2023	American Association of Birth Centers	Medicaid Midwifery Analysis
Applied Epidemiology		Summer 2023	American Association of Birth Centers	Analysis of Hispanic Birth Outcomes
Applied Epidemiology		Summer 2023	American Association of Birth Centers	Secondary Analysis of Risk Factors of Perineal Tearing and Trauma Using the American Association of Birth Centers Perinatal Data Registr
Applied Epidemiology		Summer 2023	American Association of Birth Centers	Analysis of Postpartum Outcomes and the Influence of Payment Status Among Mothers Utilizing The Midwifery-Led Birth Center Model of Care
Applied Epidemiology		Summer 2023	American Association of Birth Centers	Chorioamnionitis: Sociodemographic Disparities, Labor Characteristics, and Clinical Outcomes Within the AABC PDR
Applied Epidemiology		Summer 2023	Arizona Trauma Association	The Importance of Motorcycle Helmets on Preventing Injury/Death in Motorcycle Accidents
Applied Epidemiology		Summer 2023	Graham County Health Department	Social Vulnerability
Applied Epidemiology		Summer 2023	Greater Denver Interfaith Alliance	Evaluation of vaccination hesitancy trends in the African American Community during Covid 19
Applied Epidemiology		Summer 2023	Mel and Enid Zuckerman College of Public Health	Scoping Review on COVID-19 Vaccine Acceptance
Applied Epidemiology		Summer 2023	Helping Hands	Adverse Childhood Experiences Experiences (ACEs) and the Benefit of Utilizing ACE Assessment in Program Evaluation
Applied Epidemiology		Summer 2023	Kauai District Health Office	Leptospirosis Descriptive Analysis Deidentified Analysis
Applied Epidemiology		Summer 2023	Maricopa County Department of Public Health	HIV Surveillance and Analysis
Applied Epidemiology		Summer 2023	Maricopa County Vector Control	2021 West Nile Virus outbreak and data analysis and early detection strategies
Applied Epidemiology		Summer 2023	MEZCOPH	Prevalence of tick-borne diseases in owned dogs in Tucson, Arizona and its implications to public health
Applied Epidemiology		Summer 2023	Navajo County Public Health	Navajo County Community Health Assessment and Community Health Improvement Plan
Applied Epidemiology		Summer 2023	Sonoran Ear Nose Throat Audiology	Hearing Loss and Outcomes Among Cochlear Implant Recipients
Applied Epidemiology		Summer 2023	The University of Arizona	HIV Care and Treatment: A Systematic Review of Stated Preferences Methods AND PREVENTION CARE AND SERVICES DECISION-MAKING
Applied Epidemiology		Summer 2023	University of Arizona, Research on COVID-19 Impacts and Interventions	COVID-19 Interventions & Outcomes in Prisons and Correctional Facilities
Applied Epidemiology		Summer 2024	Arizona Department of Health Services	Routine Adult Vaccine Order Sets for Vaccines for Adult Providers in the Arizona State Immunization System
Applied Epidemiology		Summer 2024	Arizona Department of Health Services	Impact of HIV prevention programs
Applied Epidemiology		Summer 2024	Arizona Trauma Association	Addressing Policy Shortcomings in the State of Arizona, and the Corresponding Impact on Trauma Surgeons and Healthcare
Applied Epidemiology		Summer 2024	Atrium Health	The correlation between Antiretroviral HIV drugs and a patient's Body Mass Index.
Applied Epidemiology		Summer 2024	Coconino County Health and Human Services	Community Health Needs Assessment for Implementing Public Health Prevention Strategies
Applied Epidemiology		Summer 2024	Johns Hopkins University	Design and implementation of a study to address the burden of S. aureus infections in the White Mountain Apache Tribe
Applied Epidemiology		summer 2024	Kidney Cancer Association	Kidney Cancer Association: Impact Quantification & Database Management and Analysis
Applied Epidemiology		Summer 2024	Maricopa County Dept. of Public Health	Understanding and Collecting Risk Factors of 2022 C Auris Infection Cases

Applied Epidemiology		Summer 2024	Northwest Medical Center	omparative study of the effect on hospital acquired pneumonia rates using alcohol-based product for nasal decolonization in the ICU
Applied Epidemiology		Summer 2024	One Medical Seniors- Higley	Evaluating and Promoting Mental/Emotional Health for Medical Office Members
Applied Epidemiology		Summer 2024	Pacific Southwest Center of Excellence in Vector-Borne Diseases (PacVec)	PacVec Project on Vector-borne Disease Education in Arizona
Applied Epidemiology		Summer 2024	The University of Arizona, College of Medicine Tucson	Analysis of Breast Cancer Disparities among Latinas in the US-Mexico Border Region.
Applied Epidemiology		Summer 2024	UC Davis Department of Ophthalmology	The Effects of Clinic Redesign on Imaging Waiting Times in Academic Ophthalmology
Applied Epidemiology		Summer 2024	University of Arizona Mel & Enid Zuckerman College of Public Health	Community-Based Women’s Well-Being Study: Addressing Health Equity in Southern Arizona During the COVID-19 Era
Applied Epidemiology		Summer 2025	Arizona Department of Health Services	Opioid Overdose Prevention Program Evaluation
Applied Epidemiology		Summer 2025	UC San Diego Health- Department of Emergency Medicine	Characteristics of cancer patients visiting the emergency department
Applied Epidemiology		Summer 2025	United Way of El Paso- BOOST Network	Special Projects for Afterschool Programs
Biostatistics		Spring 2023	Arizona Department of Health Services	Exploring Mental Health Trends in School-Age Children Relative to School Closure and Home Confinement during the Covid-19 Pandemic
Biostatistics		Spring 2024	Andrew Weil Center for Integrative Medicine	Analysis of neurocognitive and autonomic nervous system effects resulting from facemasks worn for viral protection
Biostatistics		Spring 2024	University of Arizona, Sarver Heart Center, ACABI Lab	Variability of Platelet Aggregation Response in Healthy Volunteers
Biostatistics		Spring 2025	Arizona Department of Health Services (ADHS)	Advancing Public Health through Environmental Epidemiology: Data Collection, Analysis, and Outreach?
Biostatistics		Spring 2025	Family and Community Medicine Mobile Health Program	FUNDED Data Analyst
Biostatistics		Spring 2025	University of Arizona Mel & Enid Zuckerman College of Public Health	FUNDED- Health and Cultural Needs of an Urban American Indian Community
Biostatistics		Summer 2024	Muhimbili University of Health Allied Sciences (MUHAS), Dar es Salaam, Tanzania	Understanding the Association between Climate Change and Occurrence of Cholera and Diarrheal Diseases in Dar es Salaam District Hospitals
Clinical Leadership	MD	Spring 2023	Abrazo Health	Delivery of Care to Immigration Detainees in the Emergency Department
Clinical Leadership	MD	Spring 2023	Arizona Department of Health Services	Prevention and Mitigation of COVID-19 in Captive Wildlife: Findings from a Survey of Arizona Zoos and Wildlife Facilities
Clinical Leadership	MD	Spring 2023	Maricopa County Public Health Department STD Clinic	Assess compliance of treatment with 3 injections of benzathine penicillin for late latent syphilis in Maricopa County, AZ
Clinical Leadership	MD	Spring 2023	Wesley Health Center	Wesley Refugee Health Clinic Orientation Manual
Clinical Leadership	MD	Spring 2024	Arizona State University School of Social Work, Tucson	Amplifying the Effects of Babywearing for Neonatal Withdrawal
Clinical Leadership	MD	Spring 2024	Arizona Trauma Association	Public Health Communication Amongst Academic Surgeons
Clinical Leadership	MD	Spring 2024	Golden Gate Community Center	Refugee Women's Health Literacy Project
Clinical Leadership	MD	Spring 2024	Phoenix Children's Hospital	Electronic Dashboard to Improve Outcomes in Pediatric Patients with Type 1 Diabetes Mellitus
Clinical Leadership	MD	Spring 2024	Southwest Institute for Research on Women (SIROW)	Separating the Letters of the LGBTQ Alphabet: Distinctions between Gender Identity and Sexual Orientation in Health Outcomes and Healthcare Experiences
Clinical Leadership	MD	Spring 2024	University of Arizona College of Medicine - Phoenix	The Public Health Club: A Communications Project
Clinical Leadership	MD	Spring 2024	University of Arizona College of Medicine - Phoenix	The Public Health Club:A Public Health Communications Project
Clinical Leadership	MD	Spring 2024	University of Arizona College of Medicine - Phoenix	Literature Review of Long-Term Professional Outcomes of MD/MPH Dual Degree Graduates
Clinical Leadership	MD	Spring 2024	University of Arizona College of Medicine – Phoenix	Empowering Medical Students: Integrating Civic Engagement and Advocacy in Healthcare
Clinical Leadership	MD	Spring 2024	Wesley Community & Health Centers	Expanding a Refugee Health Orientation Program in a Federally Qualified Health Center (FQHC)
Clinical Leadership	MD	Spring 2024	Wesley Community & Health Centers	LGBTQ+Medicine and Federally Qualified Health Centers

Clinical Leadership	MD	Spring 2024	Wesley Community Health Center	Breastfeeding Education Program at a Federally Qualified Health Center in Arizona
Clinical Leadership	MD	Spring 2024	Wesley Refugee Clinic	Enhancing Mental Health Screening at a Refugee Health Clinic
Clinical Leadership	MD	Spring 2025	Arizona Department of Health Services	Hepatitis C Epidemiology
Clinical Leadership	MD	Spring 2025	Banner University Medical Center - Phoenix	Demographic Analysis of Non-Accidental Neurotrauma in Pediatric Patients
Clinical Leadership	MD	Spring 2025	Banner University Medical Center - Phoenix	Severity and Outcomes of Non-accidental Head Trauma in Obstetric Patients
Clinical Leadership	MD	Spring 2025	CAN Community Health	EHE Plan Review and Analysis
Clinical Leadership	MD	Spring 2025	CATS Clinical and Sports Psychology	Supporting Psychological Readiness to Return to Play After Injury in Collegiate Athletes
Clinical Leadership	MD	Spring 2025	CATS Clinical Sports Psychology	Body Image in Collegiate Athletes
Clinical Leadership	MD	Spring 2025	Empowerment Sytems, Inc.	Empowerment Systems Internship
Clinical Leadership	MD	Spring 2025	Maricopa County Public Health Department	Homeless Shelter Standards for Maricopa County and City of Phoenix
Clinical Leadership	MD	Spring 2025	University of Arizona Mel & Enid Zuckerman College of Public Health	ACIP Recommendations Review
Clinical Leadership	MD	Spring 2025	University of Arizona Mel & Enid Zuckerman College of Public Health	Implementation and Examination of Opioid Stewardship Programs (OSPs)
Clinical Leadership	MD	SPRING 2025	University of Arizona Mel & Enid Zuckerman College of Public Health	Vaccine Safety
Clinical Leadership	MD	Spring 2025	Phoenix Children's Hospital	The prevalence and type of cutaneous extraintestinal manifestations in a cohort of pediatric patients with inflammatory bowel disease at Phoenix Children's
Clinical Leadership	MD	Spring 2025	UA Mel and Enid Zuckerman College of Public Health	PhotoVoice Research Initiative Illuminates Critical Changes Needed for the Youth of San Luis, Arizona in the Wake of the COVID-19 Pandemic, A Policy Brief CoVHORT CATS PhotoVoice Project: Qualitative Research Dissemination to Promote Change for the Healt
Clinical Leadership	MD	Spring 2025	UA The Mel and Enid Zuckerman College of Public Health	PhotoVoice Research Initiative Illuminates Critical Changes Needed for the Youth of San Luis, Arizona in the Wake of the COVID-19 Pandemic, A Policy Brief
Clinical Leadership	MD	Spring 2025	UAHS Center of Sleep & Circadian Sciences	Demographic Disparities in Mandibular Advancement Device Therapy in Patients with Obstructive Sleep Apnea
Clinical Leadership	MD	Spring 2025	University of Arizona Mel & Enid Zuckerman College of Public Health	Evaluating ACIP Vaccine Recommendations
Clinical Leadership	MD	Spring 2025	Wesley Community Health Clinic	Refugee Health Education for Providers and Patients
Environmental and Occupational Health		Spring 2023	ESRAC	Cleaning Interventions and the Spread of Viruses in the Hospitality Industry
Environmental and Occupational Health		Spring 2024	Ferguson Rise Fellowship at Kennedy Krieger Institute	Investigating mental health symptoms, parenting stress, and quality of life in children presenting at ASD specialty center between pre-pandemic vs. post-pandemic
Environmental and Occupational Health		Spring 2024	University of Arizona Mel & Enid Zuckerman College of Public Health	Community, Environment and Policy Development
Environmental and Occupational Health		Spring 2025	Department of Community, Environment and Policy	FUNDED- Strategies for reducing respiratory viral disease in elementary schools.
Environmental and Occupational Health - IH		Fall 2023	Freeport McMoRan	Health and Safety/Industrial Hygiene at Freeport McMoRan
Environmental and Occupational Health - IH		Fall 2023	Raytheon Missiles and Defense	An Overview of Occupational Hazards in Manufacturing – An Industrial Hygiene Perspective
Environmental and Occupational Health - IH		Fall 2024	Hexcel Corporation	Corporate Industrial Hygienist Internship
Environmental and Occupational Health - IH		Spring 2023	Central Arizona Project	Occupational Health and Safety
Environmental and Occupational Health - IH		Spring 2024	University of Arizona Research Laboratory & Safety Services (RLSS)	Fume Hood Ventilation Performance Testing and Building a Chemical Database
Environmental and Occupational Health - IH		Spring 2025	Center for Firefighter Health Collaborative Research	Respiratory Protection Review for non-SCBA Operations
Environmental and Occupational Health - IH		Spring 2025	Northrop Grumman - Mission Systems	NGC Mission Systems Internship

Environmental and Occupational Health - IH		Spring 2025	Occupational Health Internship Program (OHIP)	FUNDED- Promoting Environmental Justice in Nail and Hair Salons in California
Environmental and Occupational Health - IH		Spring 2025	University of Arizona, Research Laboratory & Safety Services	UA RLSS Respiratory Protection and Hearing Conservation
Epidemiology		Fall 2023	Pima County Health Department	Health Literacy and COVID-19 vaccination in Hispanic and Latina Women of Childbearing age
Epidemiology		Fall 2023	Skin Cancer Institute	Skin Cancer Prevention and Community Outreach: Targeting Melanoma among Immigrant Arabic-Speaking Women in the Community
Epidemiology		Fall 2023	Southwest Institute for Research on Women (SIROW)	Investigating Factors Related to Housing Insecurity and Experiencing Homelessness
Epidemiology		Fall 2023	Translational Genomics (TGen) North (remote)	Cryptococcus Gattii Surveillance in Southern Arizona Cats
Epidemiology		Fall 2023	University of Arizona Mel & Enid Zuckerman College of Public Health	Data Analysis within the University of Arizona CoVHORT Study
Epidemiology		Fall 2024	The University of Arizona Mel and Enid Zuckerman College of Public Health	Barriers To Cervical Cancer Screening Among Women Living With HIV In Jos, Nigeria: Identifying Challenges And Sustainable Solutions
Epidemiology		Fall 2024	Precision Aging Network (PAN)	Redefining Arizona's Older Adult Community Engagement: Precision Aging Network (PAN)
Epidemiology		Fall 2024	Student Transformative Experiences to Progress Undergraduate/Graduate Professionals (STEP-UP)	Historical Racist Covenants and Current-Day Inequalities in Multiple Environmental Exposures in Tucson, Arizona
Epidemiology		Spring 2023	College of Public Health Exposure Science and Risk Assessment Center (ESRAC)	Data Analysis and Training development for the study of pathogen movement in a built environment
Epidemiology		Spring 2023	Maricopa County Department of Public Health	Cascade of Care: Identifying Gaps Within Treatment of Active and Latent Tuberculosis
Epidemiology		Spring 2023	Navajo Healthy Stomach Project	The Navajo Healthy Stomach Project Follow up Study
Epidemiology		Spring 2023	Nosotros Comprometidos a Su Salud	Salud Sin Fronteras- Analyzing barriers to healthcare of pre and postmigration of Mexican immigrants in southern Arizona
Epidemiology		Spring 2023	Olmsted County Public Health Services	Hospital Utilization in Olmsted County
Epidemiology		Spring 2023	Patterson LTC Consults	Infection Prevention Workforce Development in Long Term Care Settings and Local Public Health Departments
Epidemiology		Spring 2023	University of Arizona	Retention evaluation for CoVHORT
Epidemiology		Spring 2023	University of Arizona Cancer Center, Cancer Prevention & Control Research Program	Sleep and quality of life in ovarian cancer survivors
Epidemiology		Spring 2024	ADHS	Examining health disparities for foodborne diseases across racial/ethnic groups in Arizona and Developing a foodborne social media calendar
Epidemiology		Spring 2024	American Heart Association Greater Phoenix Division	Targeting Cardiovascular Risk factors Through Increased Community Awareness in the Greater Phoenix Area
Epidemiology		Spring 2024	Center of Rural Health - AHEAD AZ	Youth Engagement in Public Health Decision-Making During COVID
Epidemiology		Spring 2024	Cochise County Community Health Needs Assessment Internship	Cochise County Community Health Needs Assessment Internship
Epidemiology		Spring 2024	CoVHORT	QUANTITATIVE ANALYSIS OF EXISTING DATA TO EXAMINE THE IMPACT OF FOOD INSECURITY ON LONG COVID
Epidemiology		Spring 2024	Firefighter Cancer Cohort Study (FFCCS)	Drinking water PFAS exposure in Firefighters across Arizona
Epidemiology		Spring 2024	Komfo Anokye Teaching Hospital/Cancer Epidemiology Education in Special Populations (CEESP)	Investigating patient factors related to possible downstaging of breast cancer in Kumasi.
Epidemiology		Spring 2024	Lancaster University and University of Arizona	Barriers to Vector Control
Epidemiology		Spring 2024	Larson Assistance Services	Farmworker Heat-Stress Health and Policy Concerns
Epidemiology		Spring 2024	University of Arizona Mel & Enid Zuckerman College of Public Health	Meta Analysis of Hemochromatosis and Liver Cancer
Epidemiology		Spring 2024	Pima County Health Department	COVID-19 Disparities
Epidemiology		Spring 2024	Pima County Health Department	Pima County Health Dept. Strategic Planning and Accreditation for the year 2024
Epidemiology		Spring 2024	Pima County Health Department	Vector Surveillance- Report on West Nile virus cases in Pima County

Epidemiology		Spring 2024	The Cancer Diseases Hospital/Cancer Epidmiology Education in Special Populations (CEESP)	Evaluating the Referral Cycle of Cancer Patients with Cervical Lesions from Screening to Diagnosis in Lusaka, Zambia
Epidemiology		Spring 2025	Arizona Department of Health Services	Maternal Mortality Internship Project
Epidemiology		Spring 2025	Asthma & Airway Disease Research Center	The Statewide Expansion of a Stock Albuterol Medication Program for Arizona Schools
Epidemiology		Spring 2025	Banner University Medical Center - Tucson	FUNDED- Infection Prevention in Healthcare and Congregate Settings
Epidemiology		Spring 2025	Banner University Medical Center - Tucson	FUNDED- Infection Prevention in Healthcare and Congregate Settings
Epidemiology		Spring 2025	MEZCOPH Primary Prevention Mobile Health Unit (MHU)	Primary Prevention Mobile Health Unit (MHU)
Epidemiology		Spring 2025	Navajo Epidemiology Center	Health Disparities among Dine’ (Navajo) Mothers and Pregnant Peoples
Epidemiology		Spring 2025	Pima County Health Department	FUNDED- Heat Seasons Operations, Research, and Evaluation
Epidemiology		Spring 2025	Pima County Health Department	FUNDED- Distribution and changes to disability and disease patterns using morbidity, mortality, and natality data
Epidemiology		Spring 2025	Pima County Health Department	Policy and Procedure Creation
Epidemiology		Spring 2025	Pima County Health Department	One Health Clinic; Healthy Companions Clinic
Epidemiology		Summer 2023	Liberty Partnership Kino Neighborhoods Council	Youth knowledge-based outcomes from community-based
Epidemiology		Summer 2024	Precision Aging Network / Community Engagement Recruitment and Retention Core, University of Arizona	Characterizing Recruitment Events by Geographic and Demographic Determinants Using Epidemiologic Methods and Data Visualization
Epidemiology		Summer 2025	University of Arizona Cancer Center, Office of Community Outreach and Engagement	COE Community Health Assessments
Family and Child Health		Fall 2024	Healthy 2B Me Summer Camp (H2BM); MEZCOPH	Transformative Journeys: Fostering Health and Well-Being at the Healthy 2B Me Camp
Family and Child Health		Spring 2023	Arizona State University School of Social Work, Tucson	Mother-Baby Bonding Study
Family and Child Health		Spring 2023	Campesinos Sin Frontera	Organizational policy for Campesinos Sin Fronteras Staff
Family and Child Health		Spring 2023	Consortium of Gender-Based Violence (CGBV)	Creating programming for SAAM (Sexual Assault Awareness Month)
Family and Child Health		Spring 2023	Consortium on Gender-Based Violence	Create program activities to raise awareness on UA campus for Sexual Assault Awareness Month (SAAM), April 2023
Family and Child Health		Spring 2023	Graham County Health Department	Expansion of CHW Program in Graham County
