- ☒ Fall Semester
- ☒ Spring Semester
- ☒ Summer Term
- ☒ I want this listing to remain active indefinitely and we will accept applications from students for any upcoming semester.
- ☐ This listing is only for a specific semester/term: _____

Where:

Organization Mailing Address: 8220 N 23rd Ave, Phoenix, AZ 85021

Address where Student will work (if different from above): *Click or tap here to enter text.*

☒ Check here if the student may have the option to work remotely from a site not listed above for all or part of this project.

Student Characteristics:

A student able to collaborate with Community Outreach team, support Community Outreach activities and events, participate in team meetings, perform administrative tasks, passion to learn and support Community Outreach activities, and project management.

Level of Expertise Needed: *Do you wish to request an MPH program intern or an undergraduate public health program intern?*

Undergraduate: The internship for undergraduates should provide an experience that allows students to incorporate classroom learning into public health practice.

Graduate: Applied experiences for graduate students should require application of advanced knowledge and skills to the solution of health problems and the production of at least two agency-based deliverables.

Both experiences prepare students for future employment.
