5 Yr. Administrative Review

Dr. Zhao Chen
Chair, Department of Epidemiology & Biostatistics

Dear all,

- As you all know, the University requires reviews of administrators every five years.
- This update formally initiates the five-year review of Dr. Zhao Chen as the Chair of the Department of Epidemiology & Biostatistics at the Mel & Enid Zuckerman College of Public Health.
- The review committee's members were selected based on the recommendation /nomination from the faculty of the department of Epidemiology and Biostatistics.
- Members of the review committee are
 - John Ehiri, Chair
 - Cyndi Thomson, Co-Chair
 - Heidi Brown
 - Robin Harris
 - Annette Hillman
 - Paul Hsu
 - Sydney Pettygrove
- I would like to thank the members of the committee for taking the time to serve on the review.
- I would like to thank you all in advance for taking the time to provide your feedback by completing the survey and/or attending the forum in the fall.
