March 18, 2015

**College-Wide Advisory Transition Team Update
Dean's Council Meeting
March 18, 2015**

Phase 1:

Tentative date of March 18, 2015 to start the transition from divisions to department

- Dan summarized the work /discussions of the College-Wide Advisory Transition Team (CATT) at the Dean's council this morning.
- Great thanks to all the members of the transition team for their work

Next steps as we are starting the transition

College-wide Feedback:

- Division directors will discuss the updated report/summary with the division members for feedback
- Transition team to discuss and get feedback at the faculty assembly
- APs representative on the transition team to discuss with AP assembly
- Staff representative on the transition team to discuss with staff assembly
- Transition team will develop/administer college-wide survey for feedback

Phase 1 of the Transition

1. P&T Guidelines

- Transition team is working on P&T guidelines
- Discussion within each division and at the faculty assembly for feedback
- Determination of the P&T members of each department
- Determination of the P&T members of the College P&T Committee
- Discussion and approval by the Dean's council
- Revision of by-laws and faculty handbook to reflect the adopted changes

2. Name change for departments

- Submit a formal request to AHSC/UA for name change from division to department
- Submit the P&T committee members for each department

3. Organizational structure

- Departments: Chairs/Heads
- Sections: Academic leaders/ Academic directors
- Centers: Directors
