Dean's council update

- The council discussed 1) an IT proposal for a different model of funding to support the increased demands of MEZCOPH, 2) The interdisciplinary UA BS Program in Food Safety that is planned for fall 2017, and 3) a plan for a faculty retreat on January 9, 2017 to go over CEPH new criteria .
- As always, the minutes are posted on the intranet

Phoenix Campus Update

- The transition of our Phoenix programs from the Outreach College to the "Division of Public Health Practice and Translational Research (PHPTR) "was officially completed in July 1st 2016.
- The PHPTR Division is multidisciplinary and interprofessional
- Faculty recruitment will be focused on the research priorities of the UAHS and in collaboration with cancer center (Phoenix) and other UAHS _Phoenix based colleges/programs as appropriate
