Dean Update (6):
April 28, 2015

College-Wide Advisory Transition Team (CATT) Update Dean's Council & Division Directors' Meeting

During the meeting with the division directors we discussed 2 issues related to the transition

- “Why”: the rationale and advantages for the transition to departments
- “How”: the process for College-wide feedback

Please find below the summary of our discussion. Feel free to contact me or your division director for any question and/or feedback

Rationale for transitioning into departments

- Strengthening faculty governance and engagement
- Improve communication and transparency
- Innovation and excellence aligned with our mission in education, research and service
- Flexibility & Efficiency

Process for College-wide Feedback:

- Transition team to discuss and get feedback at the faculty assembly meetings
- Division directors will discuss the updated report/summary with the division members for feedback
- APs representative on the transition team to discuss with AP assembly
- Staff representative on the transition team to discuss with staff assembly
- A college-wide survey for feedback from faculty across all divisions
- Faculty voting
