

# 2018 FRONTERA

## summer internship

Are you an undergraduate or graduate student, interested in a health career focusing on health disparities in the U.S. – Mexico border community?

Focusing Research on the Border Area (FRONTERA) Summer Internship provides undergraduate and graduate students with opportunities to prepare for medical school, hands-on research experience, and an increased understanding of public health disparities in the U.S.-Mexico Border Region.

### **Program Dates**

June 4 to August 10 (10 weeks)

**Deadline to Apply:** February 16, 2018
