

Organization Name:

Canyon Ranch Center for Prevention & Health Promotion
University of Arizona Mel and Enid Zuckerman College of Public Health

Organization Background:

The CRCPHP conducts high quality lifestyle-based prevention research and supports community-based wellness efforts aimed at improving health and reducing disease risk. Including:

- *Building health promotion and wellness in the places where Tucsonans live, learn, work, worship and play.*
- *Developing programs that meet individual, group and community-identified wellness needs.*
- *Promoting the training of health care professional, future prevention researchers and public health ambassadors to support the vision and mission of the CRCPHP.*
- *Integrating fun and convenience into health promotion.*
- *Addressing the special needs of the children, elderly and underserved.*

Internship Project Title:

Healthy 2B Me Summer Camp

Project Description:

The Healthy 2B Me summer camp is designed to share public health messaging with underserved youth ages 7-10 years old in the southern AZ community. Our camp includes fun interactive activities promoting nutrition, physical activity, sun safety, dental hygiene, germ safety and team building. The day camp is from 9-3pm daily during 4 weeks each summer and experts from the University of Arizona, the Canyon Ranch Center for Prevention & Health Promotion, and members of the Tucson Community present on different public health topics.
