

THE UNIVERSITY OF ARIZONA
MEL & ENID ZUCKERMAN COLLEGE OF PUBLIC HEALTH

Zuckerman Family Center for Prevention and Health Promotion

Organization Name:

Healthy 2B Me Summer Camp

Zuckerman Family Center for Prevention & Health Promotion

Organization Background:

Our Center Mission is to help impact and improve the health and wellbeing of the Tucson community through outreach, education, training and research. The goal of our summer camp is to educate and empower elementary school aged children with positive public health knowledge & messaging.

Internship Project Title

Camp Counselors

Project Description:

We have offered our unique summer camp since 2013 reaching over 600 children in southern AZ. You can find more information on our website – [Healthy2BMe](#)

We are looking for enthusiastic undergraduate students who enjoy public health and working with children. The prospective individuals must be able to commit to the Monday-Friday schedule in June & July 2026 to be available from 8:30-4:00 pm Monday thru Friday weekly to help run camp. Each student intern is given the tools/curriculum needed to assist in daily activities. Join us for a great, interactive internship and highlight YOUR public health knowledge and passion!

☐ Spring Semester

☒ Summer Term

☐ I want this listing to remain active indefinitely and we will accept applications from students for any upcoming semester.

☐ This listing is only for a specific semester/term: _____

Where:

Organization Mailing Address: 3950 S. Country Club, Suite 330 Tucson, AZ 85714

Address where Student will work (if different from above)

We will be working at several different sites this summer.

☐ Check here if the student may have the option to work remotely from a site not listed above for all or part of this project.

Student Characteristics:

- Leadership Ability
- Passionate about working with children ages 7- 10
- Patience
- Adaptability and Flexibility
- Interpersonal skills
- Takes initiative
- Organizational Skills
- Enjoys being active
- Creative and Engaging
- Works well independently and in a team
- Interest in adolescent health, prevention, health education, health promotion (public health)
- Public Speaking/Facilitation/Presentation – Will deliver the curriculum and adjust topics to their public health passions.
- Bilingual (English/Spanish) abilities are a plus

Level of Expertise Needed: Do you wish to request an MPH program intern or an undergraduate public health program intern?

Undergraduate: The internship for undergraduates will provide an experience that allows students to incorporate classroom learning into public health practice.

Graduate: Applied experiences for graduate students will require application of advanced knowledge and skills to the solution of health problems and the production of at least two agency-based deliverables.

Both experiences prepare students for future employment.
