

21st CCLC Program
Whitmore Elementary School
5330 E Glenn Street

Organization Name:

Whitmore Elementary School

Organization Background:

Whitmore is an elementary school in TUSD (www.tusd1.org). The 21st CCLC Program is a before and after school program geared toward tutoring students who are struggling with academics. It also offers enrichment classes in which students learn a variety of things. We are hoping to increase the health consciousness of our students and therefore also offer healthy cooking, exercise, and health informational classes.

Internship Project Title

Healthy Habits

Project Description:

We are hoping for a class on healthy habits, to include healthy snacking, eating, as well as exercising. Our CCLC classes are offered for students in kindergarten through 5th grade. The program runs in the afternoon, 2:30 to 4:30. Spring semester will begin the week of January 7 and end May 10th.

Internship project keywords (check all that apply). These keywords help students search for internships in our database based on their areas of interest:

- | | |

When: When do you want the work done? Check all that apply.

- ☒ Fall Semester
- ☒ Spring Semester
- ☒ Summer Term
- ☒ I want this listing to remain active indefinitely and we will accept applications from students for any upcoming semester.
- ☐ This listing is only for a specific semester/term: _____

Where:

Organization Mailing Address: 5330 E Glenn Street, Tucson, AZ, 85712

Address where Student will work (if different from above): *Same*

☐ Check here if the student may have the option to work remotely from a site not listed above for all or part of this project.

Student Characteristics:

What kind of student might be a good fit for this project? For example, do you need mathematical expertise, organizational talent, a person comfortable with public speaking?

We are looking for someone who likes to work with children, who can interact with, engage, and manage a group of 10 to 12 students. We are looking for someone who can create interesting, engaging, interactive, and hands on experiences for our children.

Level of Expertise Needed: *Do you wish to request an MPH program intern or an undergraduate public health program intern? Note: The field-based internship for undergraduates should provide an experience that allows students to incorporate classroom learning into public health practice. Graduate student internships differ as the students should be required to apply advanced knowledge and skills to the solution of health problems. Both experiences prepare students for future employment.*

☐ MPH

☐ Undergraduate

☒ Either

Supervision

What is the name and title of the person will provide supervision to/of the intern? What is his/her background in terms of academic training and/or expertise in the field?

Gaby Kunk, Samantha Kunk, CCLC Coordinators at Whitmore, teachers during the school day.

Compensation/Benefits

Is a stipend for the work or travel available? Could student be included in publications? Please outline that information.

Unfortunately, there is not stipend, however, we would be happy to post on our website, Facebook, and share with families the wonderful work our intern are accomplishing with our student. Usually, we have a little performance at the end of each semester to share with families what was learned.

Application Contact Information

How and to whom should potential interns apply? What supporting documents are required?

Gaby Kunk, Samantha Kunk, Co-coordinators or 21st CCLC at Whitmore Elementary School. 5330 E Glenn Street. Fingerprint clearance.
