Integrative Touch is a Community Health Non-Profit and a leader in integrative medicine that is committed to ending isolation in illness and transforming trauma through togetherness. We are seeking dedicated and committed interns to further the mission and vision of our organization. Our mission is to provide connection, wellness and healing opportunities that change the lives of anyone touched by pain, suffering, or medical challenges.

Each intern will support the Integrative Touch mission at the Healing Center located in Tucson, AZ. Interns will work to support daily Healing Center operations and long term growth through a variety of tasks and committee assignments are also available in areas such as Grants, Marketing, The Healing Center Podcast, Gala, Research & Evaluation, and more. Interested applicants can send a resume and letter of interest to internships@integrativetouch.org

The role is a 10 month (2 Semester) internship requiring a minimum of 8 to 12 hours per week (ex: August '24 - August '25). School credit is available in accordance with the rules of your department/academic institution. Interns will work directly with our staff, volunteers, and programs.

While serving as an InTouch Intern, you should be comfortable with the following tasks:

- *Assisting in programs with children & adults of all abilities
- *Creating a warm and welcoming environment where children and families are greeted by staff, and the community are represented through wellness activities, art, literature, movement, sounds, animals, etc.
- *Maintaining a safe environment for children
- *Creating a fun environment that encourages exploration, active learning, and play
- *Developing positive social behaviors in children that support relationship building.
- *Supporting the preparation and service of a meal/snack program
- *Maintaining a clean, organized, & sanitary indoor/outdoor environment by performing daily cleaning duties.
- *Communicating frequently with Volunteer Coordinator to ensure you are satisfied with assignments.
- *Ensuring the purpose of the organization and its actions are clearly communicated.
- *Performing some administrative duties such as inventory stock, collecting, & organizing data, cleaning, etc.
- *Conduct research and community outreach as identified.
- *Conduct program evaluation of our therapeutic treatments, classes, and/or programs in support of program goals and data collection.
- *Holding potential InTouch committee membership, requiring:
 - *Teamwork and group participation

- *Professional interpersonal communication & meeting etiquette
- *Critical thinking and problem solving
- *Independent project organization and effective time management

Applicants can send a resume and message of interest to internships@integrativetouch.org and can learn more about our organization at <https://www.integrativetouch.org/>.

About our organization:

Integrative Touch (InTouch) is a 501c3 nonprofit organization whose mission is to provide connection, wellness and healing opportunities that change the life of anyone touched by pain, suffering, or health challenges. **Integrative Touch is a leader in integrative medicine committed to ending isolation in illness and transforming trauma through togetherness.** The majority of the families and individuals we help are minorities, underserved, or from low income households. InTouch is dedicated to deep, meaningful healing that changes lives, which is why we customize every program and healing session to the person we're working with. We often begin our work by asking the participant "What would you like to heal most in your life?" As a result of our unique approach, program participants report strong reductions in pain and anxiety alongside sharp increases in global well being. With the launch of our brand new Integrative Touch Healing Center, located in Oro Valley, we'll bring healing and wellness programs to more people in need than ever before. **Be a part of this visionary new approach to health and wellness, get InTouch, and apply today!**
