New Research Roundup Seminars! We are planning a new type of college-wide seminar! Once per month beginning in September, we will have research-specific presentations during the regularly scheduled seminar time. Our Faculty will share short presentations about their current research to help students, faculty, and staff learn more about opportunities to work together! Be on the lookout for more information about both presenting and attending.

Announcements

- ORP is collecting information on all NIH noncompeting renewals that have been delayed (Type 5) without explanation. Please request your faculty to email marcel@arizona.edu the following information:
 - Name of PI:
 - College:
 - Title of the grant:
 - NIH Grant number:
 - Please copy Zhao Chen, ADR, in your email
- Faculty, please tell us your current research areas by filling out this form: https://uarizona.co1.qualtrics.com/jfe/form/SV_cvhUbeFVxj6BcDY. We are working to populate the research areas on our new website, and we are using the responses from this poll to help us identify possible faculty to present in our Research Roundup Seminars.
