

# Internship / Volunteer Opportunity

## Summer 2025

The **Zuckerman Family Center for Prevention & Health Promotion** (ZFCPHP) is looking for Interns for our annual **Healthy 2B Me** (H2BM) Summer Camp. Prospective interns will have an opportunity to work as Camp Counselors with members of the ZFCPHP staff and a variety of University of Arizona professionals.

Healthy 2B Me is an interactive summer camp for children in 2nd- 5th grades. The program has been offered since 2013 and we explore public health messaging during camp. Thematic days include nutrition & physical activity, germs & hygiene, sun safety, tobacco use prevention and anti-bullying.

**Please contact NICOLE FALBO for more information  
on how you can get involved**
