

MEZCOPH Research Communications Newsletter

November 8, 2023

Hello MEZCOPH Faculty, Staff, and Students! Please find our latest announcements and opportunities below. As always, links to more opportunities are included at the bottom. For previous editions of this newsletter, please check [The Hub](#) (login with your NetID first, then click this link).

Thank you,
Bethany Shaheen

TIP: UArizona provides resources for the NIH Data Management and Sharing Policy:
<https://data.library.arizona.edu/data-management/nih-data-management-sharing-policy-2023>

Announcements

- Introducing the [Qualitative Data Sharing \(QDS\) Toolkit](#):
 - This toolkit was created to support qualitative data sharing in an ethical manner.
- **Web of Science:** University Libraries has negotiated a new, long-term agreement with Clarivate Analytics to reestablish University of Arizona access to the [Web of Science](#) platform.
 - [Read more here](#)

Honors and Awards Opportunities- Nominations due in April

- [RWJF-National Civic League Health Equity Award](#) - Due April 15, 2024
 - Honors individuals that have successfully implemented a systems-change approach within the past two years to improve health outcomes for those most impacted by health disparities.
 - Maximum award amount: \$3,000
- [National Academy of Medicine: Gustav O. Lienhard Award](#) - Due April 16, 2024
 - This award recognizes individuals for outstanding achievement in improving health care services in the United States.
 - Maximum award amount: \$40,000
- [National Academy of Sciences Membership Induction](#) - Due April 1, 2024
 - Members are elected to the National Academy of Sciences in recognition of their distinguished and continuing achievements in original research. Membership is a widely accepted mark of excellence in science and is considered one of the highest honors that a scientist can receive.

- Current NAS membership totals approximately 2,400 members and 500 international members, of which approximately 190 have received Nobel prizes.

Internal Funding Opportunities

WITHIN MEZCOPH:

- [Dean's Students Research Funds](#) - Due February 19, 2024
 - For undergraduate and graduate students
 - Four different types of awards ranging from \$500 - \$7,500
- [Dean's Annual Fund](#) - Due February 1, 2024
 - \$100 to \$3500 to support community programs and/or research activities
 - Mainly in Health Promotion and Disease Prevention

WITHIN UARIZONA

- [Conservation, Food & Health Foundation: 2024 Support for Programs in Developing World](#) - Due internally January 24, 2024
 - One proposal from UArizona
 - Usually between \$25,000 and \$50,000
 - Seeks to protect the environment, improve food production, and promote public health in Africa, Asia, the Caribbean, Latin America, and the Middle East

External Funding Opportunities

NEW:

- [Fullbright U.S. Scholar Live Event](#) - November 15, 2023
 - Information for next year's Fullbright application
 - 2 - 3 p.m. Eastern
 - Registration required
- [NIH Interventions on Health and Healthcare Disparities on Non-Communicable and Chronic Diseases in Latin America: Improving Health Outcomes Across the Hemisphere \(R01 - Clinical Trial Required\)](#) - Due February 5, 2024
 - Projects will include studies conducted in Latin American countries where Spanish is the main language.
- [NSF International Research Experiences for Students \(IRES\)](#) - Due February 5, 2024
 - Maximum budget and duration increased to \$150,000 per year for projects up to 5 years duration, with appropriate justification.

PREVIOUS:

- [CDC Grants to Support New Investigators in Conducting Research Related to Preventing Interpersonal Violence Impacting Children and Youth](#) - Due December 1, 2023
 - Up to \$150,000
- [Bill & Melinda Gates Foundation - Opportunities to Advance Women's Health Innovation](#) - Due December 6, 2023
 - Up to \$150,000
 - Project time frame is up to 2 years

- [NIH: Improving Care and Outcomes for Cancer Survivors from Sexual and Gender Minority \(SGM\) Populations \(R01 Clinical Trial Optional\)](#) - January 5, 2024

Training Opportunities

- [NIH- National Cancer Institute Intramural Continuing Umbrella of Research Experiences \(iCURE\)](#) - Application due December 6, 2023
 - iCURE provides mentored research experiences for qualified students and scientists from diverse backgrounds
- [New faculty Workshop: Pursuing Funding from the Mission Agencies](#)
 - Friday, November 17, 2023 at 11:00 a.m.
 - Virtual, must register by November 16
- [On-Demand Webinar: Planning and Writing Successful NIH Grant Proposals](#)
 - From Research Development Services and AtKisson Training Group
 - 6 on-demand webinars
 - Supplements the NIH SF424 Application Guide
- [Biomedical Entrepreneurship Training Program for Aging \(BETA\)](#) - a National Institute of Aging (NIA/NIH) funded training program administered at the University of Missouri. The BETA program is to train the scientific workforce to impart a broad set of skills and knowledge required for translation-focused and multidisciplinary roles in modern academic career positions.
 - Eligibility: Graduate students, post-doctoral fellows, healthcare professionals
 - Up to \$6,000 fellowship

Contact Us

- **Be featured on our Research Website!** We want to continually highlight research on our website from students, faculty, and staff. If you'd like your research to be highlighted, [click this link](#) to submit a story and photos.
- For IRB-related questions and general research inquiries, email Suzanna at COPH-Research@arizona.edu
- If you find any research training opportunities or funding opportunities that may be helpful to share in a future newsletter, or for more information about something in this edition, email Bethany at bshaheen@arizona.edu

Links to more information

- [Pivot](#) is a searchable database of available external funding opportunities from federal, non-federal and international sponsors in all disciplines accessible for free using your NetID. Researchers are encouraged to visit the sponsor's webpage for full information regarding opportunities of interest. All active RDS-created advanced funding searches are available by logging into Pivot.
