

Ordering Business Cards

Business cards can be obtained through Fast Design on main campus. Below is an example of a proof received for Ambassador business cards to give you a sense of how they look.

Our understanding is that you must use your UA e-mail address, must use a UA mailing address (you can use your office/cubicle, if you have one, or the Office of Student Services and Alumni Affairs address), and you can use your own cell or office phone number.

Also, on the back of the card, you can list your anticipated graduation year in Class of ##, if you would like, or leave it blank.

If needed, your Graduate Coordinator can confirm to Fast Design that you are a grad student here.
