

Summer Internship with Therapeutic Ranch for Animals and Kids (TRAK)

TRAK is a non-profit organization focused on strengthening kids & the Tucson Community through animal interaction

Internship Opportunities:

Summer Camp

Help teach campers at our Horsemanship Ranch Camp.

Each day campers will have a lesson on the different animals we have on our ranch and participate in activities based on the animals they learned about. Campers will also learn about the nature of the horse, horse safety, grooming, tacking, and untacking. We will also go over breeds, markings, colors of horses, and provide daily riding lessons.

Additional Opportunities:

Fundraising

Assist in fundraising events and soliciting donations. Participate in grant writing. Assist with making flyers, newsletters, and brochures.

Ground Maintenance/Animal Care

Help ranch hands with everyday responsibilities including property maintenance and animal care.
